VARSITY DEFEAT ASSISTS VICTORIA

Victoria's chances of regaining possession of the coveted McKechnie Cup, symbolic of inter-city Rugby supremacy for more than half a century, looked much brighter today following yesterday's triumph by the Vancouver Lions over the present champions, Varsity Thunderbirds.

Outcome of yesterday's game on the popular Brockton Point oval, left the three teams all equal, each with a win and a loss, and made it a wide-open race for the silverware. Actually, however, Thunderbirds are in a slightly favored position as all they need to retain the trophy is a tie in points with the other two clubs, while Vancouver or Victoria must finish with a clean margin.

Yesterday's game brought the schedule to the halfway mark and left each of the three teams with two games remaining to be played. Victoria's Crimson Tide will travel to Vancouver for a game on February 2, and will play its final—all-important fixture here against the Varsity Thunderbirds on February 16.

ORCHIDS TO THE OAK BAY WANDERERS

Bill Gornall, captain of the Oak Bay Wanderers, and every member of his team merit the orchids today following their great performance yesterday at Macdonald Park. Soundly trounced last week by the J.B.A.A., Wanderers came back with renewed vigor and fight and turned in a vastly improved exhibition.

Add to this the fact that the Wanderers had to come from behind an 8-0 deficit in yesterday's game with the Royal Canadian Naval College ruggers, and you are able to get some idea of the club spirit which must exist in the Oak Bay Wanderers. Nice going, fellas.

GATHERED FROM HERE AND THERE

Ted Strong, the former member of the **Harlem Globetrotters**, with the large hands, is playing with a U.S. Navy outfit in Seattle and expects his discharge early in February. He will probably high-tail it right for the **Trotters** as soon as he gets back on "Civvy Street" . . . Here's belated wedding congratulations to **Mr. and Mrs. Tommy Druce**, who walked down matrimonial lane last Friday evening. **Tommy Druce** is a member of the youthful **Toppers** soccer team and a pretty good full-back . . . **Bruce Robinson**, a pretty good footballer in his younger days, donned his soccer togs again yesterday to play with his son, Don, a promising young footballer. Here's congratulations to **Robinson, Sr.** for displaying such a swell interest in his son. More boys would be better boys if more fathers followed **Bruce Robinson's** example . . . Harry Patrick, 228-pound Navy outfielder, who played here with the bluejackets back in 1938, was a visitor to the sports department yesterday. One of the heaviest fly-chaggers to ever adorn the outfield at the Caledonia Avenue ball lot, Patrick played under the management of **Benny Southen**. Teams in the **Victoria Baseball Association** in those days included the **Eagles, Tillicum Athletics, Pilzer & Nex and Navy.**

Greenshirts Blank Shipbuilders, 3-0 In Cup Soccer Tilt

Wests Outhustle V.M.D. to Gain Verdict—Cooper, Speller and Travis Share Scoring

On the ball throughout and faster afoot, Victoria Wests played their best football of the season at Royal Athletic Park yesterday afternoon to hand V.M.D. a 3-0 blanking in a McGavin Cup semi-final, despite the fact they played all but three of four minutes of the game with only ten men. The win moved the greenshirts into the cup final against the Toppers on February 2.

Action packed from start to finish, the game provided a large crowd with some of the best play this season. Winners were full value for their victory, holding a definite edge in play except for 20 minutes in the final half when the shipyarders did everything but score with a great rally but the Wests were holding their own at the end.

Wests took the field with only ten players when Noel Morgan turned up late. Morgan no sooner got into the game than Cooper was banished by Referee Taylor after having two successive fouls called against him and disagreeing with the calls, forcing his team to finish short-handed.

Although each player turned in a top-notch performance, work of the West's half line stood out with both wing halves, Cliff Robbins and Red McMillan, playing effectively, and Chuck Restell turned in his best game in years at centre-half. Travis pulled off several great saves when called upon after an easy first half. Morgan was a shining light on the forward line along with Gordie Hayward.

Playing their first game in weeks, V.M.D. were far from their usual form and could never co-ordinate their game. Lack of teamwork was evident between the halves and the forwards, while weakness in the inside spots was a contributing factor. Absence of Allan Wishart and Alec McCormick also worked a hardship.

Carrying the play from the start, Wests went into the lead with the only goal of the first half at the seven-minute mark. Playing far down the field for a corner kick, Bob Bell laid the ball perfectly in front of the goal and Cooper scored with a header that dropped over Baker's head just inside the post.

With Morgan and Hayward combining well, greenshirts had a big edge for the rest of the half but were unable to add to their lead.

WESTS STAVE OFF GREAT RALLY BY SHIPYARDERS

Manager Jock McColl made several line-up changes as the final half started, moving Payne from centre-forward to inside left and Robinson to centre-half from the wing and switching Dallimore to outside left from left-half. Speller replaced Hayward for the Wests at inside left.

Barnswell and Musgrave both missed chances before Speller put Wests two up with a low shot after taking a pass from Musgrave. Spurred on by the goal, V.M.D. began to take the upper hand and pressed continually for the next 20 minutes, forcing corner after corner only to fail to score against a combination of Travis' netminding, persistent checking and bad breaks. Travis made several sensational stops and Restell headed out on another occasion with the netminder well beaten.

Ab Travis, who replaced Musgrave late in the game, put the result beyond all doubt by scoring his first goal about five minutes from the end, his low shot bouncing in off an upright.

Magistrate Henry C. Hall presented the Garrison Cup, emblematic of the league championship, to Cliff Robbins, Wests' captain, during the intermission.

Magistrate Henry C. Noel Morgan and Murray Speller were screened from view.

Last night's scores: Canadiens 3, Boston 1; Toronto 3, Rangers 1.

Next games—Tonight: Canadiens at Boston; Toronto at Detroit; Rangers at Chicago.

TORONTO, Jan. 19 (CP).—The Toronto Maple Leafs defeated the New York Rangers, 3-1, in a National Hockey League game tonight before 13,267 fans to tighten their grip on fifth place in the league standings and keep alive the hope of reaching fourth place and a play-off position.

A goal by Tony Leswick with only 54 seconds to play spoiled a shutout for Goalie Frank McCool, of Toronto, who had weathered a furious storm of shots in the final period as the Rangers mounted a powerful attack in an effort to make up for the three goals the Leafs tallied in the first two periods.

The Toronto goals were produced by Gaye Stewart and Gus Bodnar in the first period and Bob Davidson in the second. Stewart's goal was his 21st of the season. Davidson's counter was unassisted.

The Leafs dressed only 14 men, due to injuries to Syl Apps and Ted Kennedy, and the sudden death earlier in the week of Nick Metz' father.

One of the 14, Doug Baldwin, didn't see any action and another, veteran Sweeney Schriner, was out only a few moments.

SUMMARY

First Period—1, Toronto, Stewart (Goldham), 10:42; 2, Toronto, Bodnar (Stewart, Taylor), 14:05. Penalties: None.

Second Period—3, Toronto, Davidson, 5:46. Penalties: Hamilton.

Third Period—4, New York, Leswick (Warwick, Demarco), 19:06. Penalties: None.

MONTREAL CANADIENS TURN BACK BRUINS

MONTREAL, Jan. 19 (CP).—Montreal Canadiens took sole possession of the National Hockey League leadership by turning back Boston Bruins, 3-1, here tonight before a capacity crowd of 11,607 fans. Pintsize Bobby Fillon spearheaded the Montreal offensive with a brace of goals, while Butch Bouchard accounted for the other tally. Jack Crawford tallied the sole Boston score.

The game was played at lightning speed and the players never relaxed from the opening face-off to the last wailing of the siren. It was a close contest between Goalie Paul Bibeault, of Canadiens, and Frankie Brimsek in the Boston nets, who both turned in spectacular performances in their respective nets and were by far the individual stars of the game.

Brimsek rose to spectacular heights in the third period to avert what could have been a much higher score against him. He was scored upon twice in the mid-session and once in the opening period, but was given poorer protection than Bibeault, who was beaten in the first period.

SUMMARY

First Period—1, Montreal, Fillon (Benoit, Harmon), 15:10; 2, Boston, Crawford (Schmidt), 18:48. Penalty: Richard (major).

Second Period—3, Montreal, Bouchard (unassisted), 5:54; 4, Montreal, Fillon (Benoit), 13:58. Penalties: Shill, White.

Third Period—Scoring, none. Penalties: Guidolin (two), K. Reardon.

St. Saviours Hand St. Andrews First Defeat of Season

VANCOUVER, Jan. 19 (CP).—It was bound to come sooner or later, but Coast League soccer followers hardly expected St. Andrews to suffer their first defeat in the manner they did here today when they were well and truly beaten 3-1 by St. Saviours, who never once allowed the Scots to settle down and were well worthy of their victory.

Next Saturday North Shore United and Kerrisdale will meet after a junior international match at the East End ground. St. Andrews will go to Victoria that day for an exhibition game, while St. Saviours visit Nanaimo on Sunday for a friendly match with the Islanders.

Two thousand persons witnessed the game, which was played in perfect soccer weather, on a hard and dry pitch. St. Saviours played so enthusiastically that they never allowed the Scots to settle on the ball throughout the entire game. The result was that George Reid's boys gave their poorest display of the season. Their passes were inaccurate, they were beaten to the ball by speedier opponents, and apart from Erling Storness, who stood in a class by himself, their kicking was very poor.

On the other hand, St. Saviours gave their best performance of the year, with Jimmy Gemmell, Don Cowan and Alan Sawyer outstanding on a great halfback line.

George Stirnweiss Is Leading Ball Player

NEW YORK, Jan. 19 (AP).—George Stirnweiss, New York Yankee second baseman, who led the American League both in batting and in stolen bases the past season, has been voted the Sid Mercer Memorial Award as player of the year by the New York Chapter of the Baseball Writers' Association.

Stirnweiss, son of a new York City policeman, hit .409 and stole 33 bases while playing in every Yankee game for the second straight year. Before entering professional baseball he gained national recognition as a halfback at North Carolina University. He will be given the player of the year award at the chapter's annual dinner and show here February 3.

Bays and Wanderers Take Rugby Matches

Oarsmen Defeat Victoria College, 9 to 4—Oak Bay Ruggers Set Back Cadets, 12 to 8

HOW THEY STAND

	W.	L.	F.	A.	Pts.

Victoria College	1	1	13	14	2
Wanderers	1	1	15	47	2
Naval College	0	2	13	21	0

Yesterday's scores: J.B.A.A. 9, Victoria College 4. Oak Bay Wanderers 12, Naval College 8.

Next games, Saturday: J.B.A.A. vs. Naval College; Victoria College vs. Oak Bay Wanderers.

With the eventual winners fighting back from under the shadows of defeat, J.B.A.A. and Oak Bay Wanderers registered victories in yesterday's Barnard Cup Rugby fixtures played at Macdonald Park.

Bays, battling for undisputed occupation of top berth in the second-half standings, came from behind an early 4-0 deficit for a 9-4 triumph, while Oak Bay Wanderers erased an 8-0 lead set up by Naval Cadets and finally won by a 12-8 margin.

After knocking over the previously undefeated Naval College fifteen last week, Victoria College ruggers were conceded a slight edege over the veteran Bays in yesterday's clash, but were not just up to the task.

Oarsmen made their experience and greater weight pay off in a stubbornly fought fixture on the upper pitch at the James Bay enclosure. Collegians, fighting hard all afternoon and refusing to quit, lacked the offensive strength to crash over the J.B.A.A. line for

Bays started an early offensive and while they managed to keep play within the collegians' territory they could not penetrate the blue and gold defence. Finally relieving after a sustained drive for their goal line, College had the Bays on the defence, and here too the defence was stronger than the attack.

Collegians forced the issue for fully 15 minutes, but were unable to hit the scoring column until Russ Latham, brilliant young backfielder, booted a beautiful field goal from a difficult angle.

Oarsmen came charging back from the kick-off and after being turned back on three earlier scoring attempts managed to crash over. Albie Williams, J.B.A.A. forward, carried the ball over following a five-yard scrum. McKeachie's kick was short.

Contrary to expectations, the Bays had the better of the final canto, with the work of the veteran Bill Halkett being outstanding. Oarsmen had a distinct edge in the territorial play but occasional threats by the collegians were dangerous.

Big Bill VanDruten added three points for the eventual winners at the 15-minute mark and quite later in the game Bill Halkett put the finishing touches to a smart handling movement by the Bays. McKeachie's attempted conversions were both short.

In the dying minutes of the game collegians put on a last spurt and came exceptionally close to scoring.

A 30-car parade from Victoria College to Macdonald Park with "Wallace," the goat, the team's official mascot, riding at the head of the parade, preceded the fixture. During the halftime intermission Wallace and approximately 300 students staged a "snake" parade on the playing field.

OAK BAY WANDERERS DEFEAT CADETS, 12-8

Trailing by eight points in the early stages of the game, Oak Bay Wanderers staged a spirited rally to defeat the Royal Canadian Naval College by a score of 12 to 8.

In scoring this upset the Wanderers were a vastly improved team from the club that was so overwhelmingly beaten the previous week. Captain Bill Gornall kept his team on top of the ball all afternoon and their win was well deserved.

The Cadets opened on the attack and at the ten-minute mark Wing Three-Quarter Brown completed a nice backfield run to register the opening score. Cadet Peers made the conversion from a difficult angle and the future naval officers moved ahead 5-0.

Five minutes later the Cadets added a further three points when Lieut. Gibbs cross-kicked and Forward Zimmerman took the ball in his stride for a well-earned try.

Oak Bay Wanderers settled down at this stage and their efforts were rewarded when Ewing, centre three-quarter, dashed across the opposing line for a try. The attempted conversion was short. The interval arrived with Cadets leading, 8-3.

In the final stanza Wanderers displayed remarkable condition and outplayed the Cadets. Bill Gornall, playing a better game every week, led the Oak Bay forward attack over the Naval College line and fell on the ball to make the score 8-6. Still fighting hard the Wanderers came right back to the attack and Ron Grant smashed his way over for a try. In the dying minutes of the game the Wanderers made victory certain as they sent Bill Pinckard over for the final score of the game.

Varsity Hoopsters Beat Whidby Island

VANCOUVER, Jan. 19 (CP).—Whidby Island Flyers, out to revenge a basketball defeat handed them by the University of British Columbia Thunderbirds three weeks ago, ran into something that was too hot to handle here tonight when the Birds handed them a 82-63 setback.

Although the Flyers put up a good front and actually led in the scoring during the first five minutes, Thunderbirds really tolled during the last ten minutes.

Due mainly to the single-handed efforts of Flyer Bill White, who finished with 27 markers, the visitors were still in the thick of the fight when the breather rolled around. The score then stood 38-33 for the Birds.

Names Strong Aquatic Team For Vancouver

Expecting some of their stiffest competition for a long period, 22 Y.M.C.A. Swimming Club members will head for Vancouver under Coach Archie McKinnon on January 26 for a dual meet with the powerful Vancouver Amateur Swimming Club.

Twenty-three events are listed on the card and entries are limited to two swimmers from each club for each event. This ruling is expected to make a difference to the local club, whose all-round performance and greater numerical strength have been one of the chief reasons for their success.

Expecting a close meet, Coach McKinnon expects to pile up the points in the male section with a particularly strong team in all three classifications, but Y.A.S.C. are reported to have a promising team of mermaids who should score heavily in the women's events.

Peter Salmon, Canadian 150 yards medley record-holder, heads the strong junior men's contingent. Rod Nixon, Eric Jubb, Don Smyth and Jack Creedon round out this group. Bill Patey, Ray Jubb and Barry Cavness have been selected for the juvenile section.

Len Coverdale, Ron Neilsen, Bob Montgomery, Jack Todd, Ken Hurn, and Dick Bowden, up from the junior ranks, form a versatile and powerful senior club.

Senior women will include Ina Salmon, Joan Morgan, Macrina Parker, Joan McLagan and Leslie Rimmer, mainly up from junior ranks. Aileen Smyth, Jean Mills and Myfanwy Nixon will carry the "Y" colors in the junior women's events. Final decision on the juvenile girls who will make the trip will be made later.

Dominoes Chalk Up Easy Victory Over Navalairs

Local Hoopsters Roll Up 59-39 Decision in Intercity Fixture—Eagles Defeat Legion

Gradually piling up a lead after being given a stiff tussle in the first quarter, Victoria Dominoes added another scalp to their belts last night at the High School gymnasium when they spanked a surprisingly good San Point Navalairs five, 59-39, in an intercity basketball exhibition. The win was the tenth in a row for the locals on their home floor and their 13th in 15 games this season.

Eagles, lowly intermediate "B" cagers, pulled one of the biggest upsets of the season in the opener when they edged out the Canadian Legion quintette, 32-30, in the last regularly scheduled league fixture of the season. The loss cost Legion the league title and forced them to play a sudden-death game for the championship against Black and Whites tomorrow.

Although not displaying their usual drive and missing more shots than in any previous game this season, Dominoes were the better club and never looked like losing after overcoming an early Sand Point lead. Norm Baker continued his record of being the leading scorer in every intercity game this season by hitting the hoop for 23 points.

One of the features was the game was the third-quarter scoring splurge of popular Hank Rowe, who pushed up five baskets in the period and added another in the fourth for a total of 12 points as he flashed some of his old-time form.

Young and sporting plenty of size and basketball "savvy," Navalairs put up a good fight, but could not cope with the superior experience of the Dominoes. Clever bucket work in the first quarter gave them an early lead and they kept close until midway through the second session when the winners started to pull away. Jay Del Santo, Vern Bulger and Lars Granberg, the three largest players on the club, were the pick of the losing club and accounted for 31 points between them.

Playing their best game of the season, Eagles surprised Canadian Legion to take a ten-point lead early in the final quarter and then holding off the closing rally of the losers.

Legion ended the first half on the long end of a 16-14 count, but the Eagles tied it at 16-16 and again at 18-18 before going ahead in the last minute of the third quarter on smart baskets by Gar Taylor and Rousel.

Taylor provided the winning points with the clever display in the final period, when he pushed up three baskets in the clutch to keep the Birdmen in the lead. Losers rallied strongly in the late stages and Watson's field goal pulled them within two points at one stage. Taylor scored what proved to be the winning points to give them a four-point advantage and counteract Vic Dale's last-minute basket.

Teams and scores follow:

Navalairs—Ridings, Freeman 2, Granberg 9, Glenny 2, Bulger 13, Johnson 2, Hjelman 2, Chandler 2, Del Santo 9, Palmer. Total, 39.

Dominoes—Andrews 8, Chapman 2, Peden 10, McKeachie, Jackson 4, Baker 23, Rowe 12. Total, 59.

Canadian Legion—Dale 8, Walker 6, Parfitt 3, Hall 4, Watson 2, McKeachie 2, Brown, Fields 4, Garbet 1, Sparks. Total, 30.

Eagles—Taylor 10, Patterson 4, Hartley 3, McCorkall 8, Davies 5, Roussel 5, Browning, Anderson. Total, 32.

City League Cage Teams Will Start Play-Off Series

A SUDDEN-DEATH game between Black and Whites and Canadian Legion to decide the men's senior "B" championship will feature the basketball card at the High School gymnasium tomorrow evening. Legion missed their opportunity for the title last night when they bowed to the Eagles to end up in a first-place tie with the Taximen.

In other games, Chinese Students will battle it out with St. Louis College in another sudden-death affair to decide the third play-off spot in the intermediate "B" section and the right to meet K.V.'s in the semi-final round, while Victoria College and J.B.A.A. will start the city play-downs by clashing in the first of a best-of-three semi-final in the men's intermediate "A" section.

Students and Collegians open the card at 7 p.m., followed by the J.B.A.A.-Victoria College battle an hour later. The featured senior "B" fixture is slated to get under way at 9 p.m.

Penna Clings To Lead in Richmond Golf

RICHMOND, Calif., Jan. 19 (AP).—Little Tony Penna, the Dayton, O., stylist, lost a couple of strokes to the field today but he clung to the lead of the Richmond open golf tournament, at the end of the third round of the 72-hole event, carrying $10,000 in Victory Bonds as the prizes.

He tallied a third round 73 far short of his sensational sub-par 65 yesterday but his 207 total still kept him two strokes ahead of his nearest rival, Jimmy Hines, Chicago. Hines, playing the most consistent golf of all, racked up a par 71, to set his total at 209.

Big Jim Ferrier, Chicago, shooting the first round of the day with a four-under-par 67, moved up in the parade to tie Mark Fry, Oakland, for third position at 211 strokes. Fry posted a 70 for his latest effort.

Grouped at 212 as the crowd turned into the stretch run tomorrow were Charles Stolhand, Ponca City, Okla., leading the amateurs, Ed Oliver, Taunton, Mass., E. J. Harrison, Little Rock, Ark., and Denny Shute, Akron, Ohio.

Stolhand, after two great rounds of 69-68, wobbled today into a 75 but he had enough start on the rest of the amateurs to easily hold his front place among them.

Ben Hogan, of Hershey, Pa., one of the pre-tournament favorites, was in a 213-stroke tie with Ellsworth Vines, Chicago. Others of the "big name" crowd trailed in higher scoring brackets. Among them were Jim Demaret, Houston; Bob Hamilton, Chicago, and Sam Byrd, Detroit, deadlocked at 215; Harold McSpaden, Sanford, Me., in a four-way tie at 217, and Vic Ghezzi, Knoxville, Tenn., tied with an amateur at 219.

Snead, never able to get on his game here, was tied with John Bulla, Chicago, and two others at 220. Little was way back in a five-way draw at 223, while Revolta was blocked at 224. Also at 224 was U.S. amateur champ Marvin "Bud" Ward of Spokane, Wash. Ward shot his best golf today with a one over par 72.

Among the top 20 were Charles Congdon, Tacoma, Wash., with 142-72-214, and Al Zimmerman, Portland, Ore., 141-76-217.

INJUSTICE in this world, George Santayana tells us in "Reason in Society," is not something comparative; the wrong is deep, clear and absolute in each private fate. A bruised child wailing in the street, his small world for the moment utterly black and cruel before him, does not fetch his unhappiness from sophisticated comparisons or irrational envy; nor can any compensation and celestial harmonies supervening later ever expunge or justify that moment's bitterness.

Seattle Turns Back Royals By 7-3 Score

NEW WESTMINSTER, Jan. 19 (CP).—Led by Eddie Dartnell, who joined in three goals, the Seattle Ironmen pounded out a decisive 7-3 win over the badly slipping New Westminster Royals in a Northern Division Pacific Coast Hockey League game here tonight.

Seattle took a two-goal lead at the end of the first period on goals by Bill Robinson and Don Campbell, the latter coming while Dutch Evers, of the Royals, was sitting out a two-minute tripping penalty.

The visitors had a three-goal margin at the end of the middle session when they outscored New Westminster 2-1. Dartnell got his first tally and was followed by Roy McBride before Freddie Smitten slipped an unassisted counter past Ironman Goalie Al Rollins.

Dartnell rapped home two quick ones mid-way through the final period and another by Campbell ended Seattle scoring. With less than three minutes left the Royals started to roll and Bob Koch got one on a pass from Ralph Blyth and just seconds later reversed the effort to make the final score 7-3.

SUMMARY

First Period—1, Seattle, Robinson (Dartnell, Campbell), 1:52; 2, Seattle, Campbell (Dotten), 16:45. Penalty, Evers.

Second Period—3, Seattle, Dartnell (Campbell, Dotten), 1:37; 4, Seattle, McBride, 8:52; 5, New Westminster, Smitten, 11:39. Penalties, none.

Third Period—6, Seattle, Dartnell (Campbell), 10:45; 7, Seattle, Dartnell (Dotten), 12:42; 8, Seattle, Campbell (Stanton), 14:06; 9, New Westminster, Koch (Blyth), 17:50; 10, New Westminster, Blyth (Koch), 18:59. Penalty, Dotten.

Canadian Legion Wins Exhibition

Canadian Legion senior soccer eleven eked out a 1-0 decision over the Second Division Oak Bay club in an exhibition match at Windsor Park yesterday afternoon.

Only goal of the game came from a drive by Costain from the edge of the penalty area in the first half.

Losers were more dangerous in the second half and carried much of the play, but over-eagerness messed up several good opportunities.

An unusual feature was the father-son combination on the Oak Bay eleven. Replacing Knappett, who was injured, Bruce Robinson, former Navy star, played part of the game, joining his son, Don, a promising right-winger.

BRISTOL, England (CP).—Harry Harris, 67-year-old miner, advertised for a wife and got 175 replies. He married Mrs. Mary Chapman, aged 68.

England Chalks Up 2-0 Triumph Over Belgium

85,000 Watch International Football Match—West Ham United Upsets Charlton Athletic

LONDON, Jan. 19 (CP).—England defeated Belgium, 2-0, here today in an international soccer game attended by 85,000 spectators, including Paul Henri Spaak, President of the United Nations' Assembly and Foreign Minister of Belgium.

Two international Rugby games also were played, with Scotland defeating the New Zealand touring team, 11-6, in Edinburgh, and England beating Wales, 25-13, in Cardiff.

A new feature was introduced in the England-Belgium soccer game when linesmen were provided with irridescent flags which glow in poor light. The flags had an early test as fog settled during the interval and the Canadian Women's Army Corps Pipe Band on the field could scarcely be seen.

In regular British soccer game, Charlton Athletic was upset 2-0 by West Ham United. Charlton Athletic still holds the leadership in League South, however.

Charlton showed a lack of shooting power and an uncertain defence. Aston Villa, holding second place in the league standings, also went down to defeat, losing 2-1 to Birmingham, the third-place holder.

Derby County, now fourth, beat Milwall, 2-1.

In League North, the four teams tied for the leadership suffered varied fortunes. Chesterfield lost 1-0 to the third-place Manchester City squad. Sheffield United beat Middlesbrough, 4-3, and Blackpool downed Leeds United, 4-2. Everton whipped Blackburn Rovers, 4-1.

THREE TEAMS SHARE LEAGUE LEADERSHIP

The games left Everton, Sheffield United and Blackpool still tied on games won for the lead, while Chesterfield dropped to second place.

In Third Division games, Stockport County led in the northwest section after beating Barrow, 5 to 2. Carlisle United, leader in the northeast section, defeated York City, 3 to 1. South End United downed Northampton, 1 to 0, to move into a tie with Mansfield Town for the leadership of the south-north play. Bristol Rovers, winner by a 1 to 0 score over Bristol City, lead the south-south games.

In the Scottish League's Division "A," Glasgow Rangers improved their position as the leading team by defeating Queen's Park 2 to 1. Aberdeen, in second place, played to a scoreless 0 to 0 draw with Clyde. Celtic, in third, beat St. Mirren, 2 to 1.

In Scottish Division "B," Dundee held the lead after a 3 to 1 win over Dunfermline Athletic while East Fife, winner over Dundee United, 2 to 0, and Ayr United, which beat Arbroath, 4 to 2, are sharing second place.

In Switzerland—it's "Bruns"

Canadians vote for "Brownies"

TO the world-wise traveller, "Bruns" and similar little chocolate cakes are as much a part of Switzerland as the Alps—and further support for the claim that chocolate is the world's favorite dessert flavor! Canadian families too, show preference for little cakes flavored with chocolate. But for the rich, deep-brown color, the delicious moistness, the *true* chocolate flavor that have made chocolate famous, be sure to use Baker's—the kind that's *all pure chocolate.*

Made from the finest cacao beans that the world's markets can provide, Baker's *is all pure chocolate*—smooth as satin, with all the luscious richness left in and *not one thing added.* No wonder Baker's Chocolate has been North America's most famous chocolate for almost 180 years!

FRUIT-AND-NUT BROWNIES

¼ cup sifted flour
½ teaspoon Calumet Baking Powder
¼ teaspoon salt
⅓ cup shortening
2 squares Baker's Unsweetened Chocolate
1 cup sugar
2 eggs, well beaten
½ cup raisins or chopped dates
½ cup chopped nuts
1 teaspoon vanilla

Sift flour once, measure, add baking powder and salt, sift again. Melt shortening and chocolate over boiling water. Add sugar gradually to egg, beating thoroughly, then add chocolate mixture and blend. Add flour and mix well, then add fruit, nuts and vanilla. Bake in greased pan, 8 x 8 x 2 inches, in moderate oven (350°F.) about 38 minutes. While warm, cut in rectangles. Remove from pan and cool on cake rack. Makes 20. May be frosted thinly, and decorated with dates or nuts.

Forest Fire Losses in 1945 Cost B.C. Nearly $1,500,000

Forest fires in British Columbia did damage to the tune of $1,443,053 and cost the Forest Service $484,000 in fire fighting last year.

The number of fires in the province, 1,838, was the third largest in the past ten years and represented an increase of 171 over the figure for 1944, according to figures released yesterday by Hon. E. T. Kenney, Minister of Lands and Forests. Fires in 1940, the previous highest year of the decade, totaled 2,338.

Of the total cost of fire fighting, $308,000 was absorbed in wages, food and transportation costs for fire-fighting crews. The remaining $176,000 was expended by organizations other than the Forest Service.

Fires occurring on vacant Crown land, timber licences and similar land, totaled 1,084, while 754 occurred on lands held under other forms of tenure not assessed as timber lands.

A total area of 352,892 acres was burned over, comprising 91,435 acres of accessible merchantable timber bearing 522,879,000 f.b.m.; an additional area of 1,046 acres of inaccessible merchantable timber and 79,971 acres of immature timber, as well as 180,440 acres classed as logged-over, burned-over, grazing land or other sites. Of the accessible mature timber only 120,021,000 f.b.m. is classed as salvable.

Damage to accessible merchantable timber represents a stumpage loss of $809,340 of the total bill for damage done.

Lightning caused the greatest percentage of fires, 29 per cent, with railway locomotives, 23 per cent, and smokers, 19 per cent, in close [illegible] and travellers ranked fourth, with 10 per cent. The remaining 19 per cent of the fires resulted from brush burning, industrial, incendiary and miscellaneous causes.

The increase in railway fires can be directly attributed to the heavy traffic, coupled with poorer quality fuel, the report stated. Despite every care and special measures taken to obviate fires, this source showed an increase of nearly 4 per cent over 1944 figures.

Council Wants Federal Jobs For Veterans

Release of full employment statistics and the employment of more veterans in Dominion Government service are demnded by the Citizens' Rehabilitation Council in two resolutions being forwarded to Ottawa.

A resolution was sent yesterday to the Minister of Labor urging that local offices of National Employment Service be immediately authorized to publish the monthly statement, now held confidential, of placements, vacancies listed by trades and unemployed personnel, with particular reference to veterans, thereby giving responsible authorities a complete picture of the situation to date in their particular localities.

The second resolution, which was forwarded yesterday to the Postmaster-General, the Minister of Reconstruction and the Civil Service Commission, alleged that although the Dominion Government asked employers to hire veterans to full capacity, the Dominion Government itself had not set a good example.

Resumption of the peacetime mail delivery schedule for urban areas was urged in the resolution. About 80 Victoria men have qualified for postal carrier positions by civil service examination within the past few months, the resolution stated, adding that many of these men were available and unemployed. Resumption of two deliveries a day would make possible employment of many additional men, it was pointed out.

E. B. JONES' grocery store, which was recently sold after 46 years of business on the corner of Cook and North Park Streets. The present building, shown above, was erected about 34 years ago, after the original store, which occupied the same site, had been torn down. Mr. Jones claims his former business is the oldest of its kind operated under the same name in British Columbia. H. W. Gurney, the new proprietor, was formerly a grocer in the Cloverdale district. It is understood he will change the name of the business to his own.

Legion Official Criticizes Drainage in Veterans' Homes

"I think it is a rotten disgrace that some of the houses being built for veterans are not properly drained," it was stated yesterday by Robert Knight, chairman of the Zone Council, Canadian Legion.

He referred to charges by W. W. Shorrock, Saanich plumbing and sanitary inspector, that some Veterans' Land Act houses on the Braefoot Estate had been flooded and that septic tanks in four of them might never be drained efficiently because they stood on low-lying land.

A special committee of Saanich Municipal Council has been investigating the houses and will report to next week's meeting of the council. Now in the council's hands is a letter from C. A. Gill, secretary of the Zone Council, Canadian Legion, pointing out that through the Legion's efforts four sites on the Braefoot Estate have been temporarily abandoned because of poor drainage.

Correspondence between Canadian Legion representatives, Maj.-Gen. G. R. Pearkes, V.C., M.P.; R. W. Mayhew, M.P.; Hon. Ian A. Mackenzie, Minister of Veterans' Affairs; G. Murchison, director of Soldier Settlement and Veterans' Land Act, and J. D. Patterson, local Veterans' Land Act representative, was made available to The Daily Colonist recently.

CONSTRUCTION ENGINEERS "ENTIRELY SATISFIED"

In reply to a letter from the Legion last August, Mr. Patterson stated: "Our construction engineers are entirely satisfied that none of these houses will be flooded in Winter, the septic tanks will function normally and no discomfort accrue to the occupants."

When the matter had been taken up with Mr. Mayhew, Maj.-Gen. Pearkes and the Hon. Ian Mackenzie, however, Veterans' Land Act officials agreed to build houses on sites other than the four under dispute, so that conditions on low-lying land could be observed during the Winter.

Asked about the four houses now under criticism, Mr. Patterson, Veterans' Land Act administrator, had nothing to say. "Are they on the same sites where your department agreed to postpone construction?" he was asked. He did not reply, but stated that he could not see a reporter for at least a week.

Mr. Shorrock stated that plans for Braefoot Estate houses were not submitted to him until the houses had been under construction for two weeks.

Imports to Ease Potato Shortage

Owing to a shortage of British [illegible] certainly that supplies will have to be imported from the United States within the next few weeks, Dr. J. B. Munro, deputy minister of agriculture, announced yesterday.

Although grade three potatoes are now being made available to the B.C. public in an attempt to offset the shortage, that does not furnish adequate relief, Dr. Munro said.

No estimate of the quantity of potatoes to be imported is yet available.

Chief cause of the shortage are smaller acreages planted and smaller crop yield, Dr. Munro said. Moreover, there have been considerable crop losses of various kinds, notably the flea bug, particularly on the Lower Mainland.

New York Stocks

NEW YORK, Jan. 19 (AP).—Stocks, with scattered exceptions, hit the downgrade in today's fastest short session for more than six years as the imminent nation-wide steel strike inspired further liquidation by discouraged holders.

While on the week the list managed to emerge with a net modest advance, the day's losses of one to four points were widespread despite the reduction of extreme setbacks in the final half-hour. Steels revived moderately, but finished well on the downside. A number of low-quoted utilities made a little headway.

Dealings were [illegible] at the start and the ticker tape fell a bit late at the close. Turnover for the two hours of 1,680,000 was the largest for a similar stretch since September 2, 1939, and compared with 1,250,000 last Saturday. The six-day aggregate of 14,650,000 was a top since the week concluded May 18, 1940.

The Associated Press 60-stock average was off .7 of a point at 76.5 but for the week showed a gain of as much. It was the sharpest recession since December 17. The market was the broadest for a Saturday in more than ten years, 939 issues registering. Of these, 565 fell, 216 rose and 150 were unchanged.

Winnipeg Grain

WINNIPEG, Jan. 19 (CP). — Rye futures prices were irregular and lower than yesterday in trading on the Winnipeg Grain Exchange today. Trading was fairly active with good commission house buying with offerings from local interests more liberal.

At the close rye was ⅛ to 1⅜ cents lower with May at $2.08⅝, July at $1.98⅞-1.99, and October, at $1.78⅝.

About 1,400,000 bushels of wheat was reported sold for shipment to the United Kingdom.

Chicago Grain

CHICAGO, Jan. 19 (AP).—Trading in the usually erratic rye futures leveled off considerably today as a commission house met virtually all the demand of buyers and held prices close to the previous close most of the time.

The grain was bid around a cent higher in early dealings but was behind most of the time thereafter when buyers found all the offerings they wanted. The fluctuations for the most part were within fractional ranges in the light trade.

Oats set a fairly moderate pace on continued strong demand for the deferred deliveries as talk became more general that large amounts of the grain were being used as a substitute for corn.

White Cane Week Commences Today

Canadian National Institute for the Blind, in co-operation with the Inter-Provincial Council for the Blind, today launches its "White Cane Week," aimed to make the public conscious of the white cane's significance.

When "White Cane Week" ends next Saturday officials of the institute hope that sighted men and women will show additional consideration and courtesy toward bearers of the white cane symbol. [illegible] people, 120 live in Victoria.

Besides supplying white canes free off charge, Canadian Institute for the Blind trains sightless people to read and write Braille, type, weave, knit, and make baskets. The institute's aim, it is stated, is to help people make the mental adjustment necessary to live full lives without sight.

Freight Extra on Cars for Victoria

There is a fairly long waiting list for new cars, it was learned yesterday from James Evans, president of the Victoria Automotive Salesmen's Association. There are now eight 1946 cars in the city, all ordered by top priority holders, mostly ex-service doctors.

Additional new cars are expected to arrive here at the beginning of February. Each of Victoria's eight new car dealers has a number of priority orders and an average of 25 or 30 non-priority orders with deposits or credit notes, Mr. Evans said.

When all priority holders have been supplied, other customers who have already placed orders will be served.

Wartime Prices and Trade Board has set prices for new cars only slightly higher than 1942 levels. Victorians will pay $190 freight charges and $25 handling charges on top of the retail ceiling prices f.o.b. factory.

Thieves Remove Money, Watches

Theft of $55 and four watches from the home of V. Perri, 2303 Fernwood Road, was reported to city police yesterday morning. Mr. Perri stated that he had left his home with his wife about 8:30 p.m. and returning shortly before 12, found the watches and a wallet containing the money missing. Three young boys, one about 14 and two about 12 years old, had been loitering in the district in a suspicious manner, he stated.

Detective Angus Munro, who investigated the complaint, reported that entry had probably been made through a basement door left unlocked.

Officers elected for the ensuing year were: President, H. R. Dawe; first vice-president, L. Fieldhouse; second vice-president, A. Larsen (by acclamation); treasurer, J. Witteomb (by acclamation); executive committee: P. E. Beaven, J. Berry, A. Cownden, W. H. Dallaway, A. B. Ford, J. E. Hutchings, E. S. Michell, J. Quinn, F. Randolph, W. J. Roberts.

Is SCIATIC Pain making your life miserable?
Mr. C. M. Avery-Jones, 553 Sargent Ave., Winnipeg, had such bad sciatica he couldn't bear to touch his flesh. But he found relief! He writes:
"I suffered from painful sciatica and very sharp arthritic pains in my feet and ankles. My flesh was sore to touch and every movement caused intense pain. Fortunately, I heard about Templeton's T-R-C's. They proved to be just what I needed to relieve my suffering. Almost from the first minute I took T-R-C's, I was greatly relieved. I am now able to sleep well at night instead of being kept awake by pain. I have told dozens of friends about the quick relief I got from T-R-C's."
Don't suffer from Sciatica or any Rheumatic Pain and Stiffness a day longer than you have to. Do what thousands have done, who used to suffer as you do now. Let Templeton's T-R-C's help you to get the quick relief you want. Ask your druggist for a bottle today—50c, $1. T-23

"Thanks to you, Grandpa Kruschen . . ."
MY LUMBAGO IS A THING OF THE PAST"
If you have suffered from lumbago, you'll understand why this man wants to pass on the good news as to how he found relief. He says:
"I had a bad attack of lumbago. When I got into bed I had to stay in one position—I could not move for pain. I was given the tip to try Kruschen and I am very grateful for it. For after taking a few doses I felt some relief: and after taking one large bottle I am glad to say that my lumbago has become a thing of the past. And there is no trace of it coming back."—E.A.V.
There are many instances in which the Kruschen saline treatment has brought happy relief . . . just as it did for Mr. E.A.V. So why not try Kruschen yourself? But be sure to take it faithfully for as long as needed and thereby give Kruschen a chance to overcome conditions in your body which have probably taken months . . . or even years, to develop. There is always a cause for lumbago and with many persons the pain can be traced to toxins or poisons in the system. Kruschen's action is to help your organs of elimination and thereby bring you relief. Kruschen Salts are procurable at all drug stores: 25c. and 75c.

HOW IS IT HEATED?
That's one question that EVERYONE asks about any home. And in all too many cases the sad answer is that a home is only HALF heated—while the owners are paying out just as much in furnace installation and in fuel costs as if it were REALLY heated. If you haven't yet made up your mind about HOW your new home is to be heated, it will be extremely wise to wait until you have seen the newly-developed PACIFIC Complete Home Heating Unit. Not a collection of "Gadgets," not just the product of an inventor's over-heated imagination, not just a prewar idea remodeled (or remudeled), but an entirely new design in a complete All-Steel Heating, Air-Conditioning and Humidifying Unit that does a scientific and completely satisfying job for a lifetime, and more. Made in Victoria for Northwest conditions. Ready now for inspection—ready soon for delivery.

Ernie Pyle's Own Story Of American Infantrymen

For years beautiful women from all over the world have flocked to Hollywood to have their beauty recorded on celluloid that moviegoers might see and thrill.

But the situation was somewhat altered in the cases of two of filmdom's most gorgeous lovelies, Shelley Mitchell and Pat Friday.

Shelley, former songstress with Xavier Cugat's orchestra, is blonde and shapely. Pat, N.B.C. radio songstress, is equally blonde and equally shapely.

When they were cast for roles in Ernie Pyle's "Story of G.I. Joe," which comes to the Oak Bay and Plaza Theatres tomorrow, both lovelies dashed off to the hairdresser, manicurist and whoever else such beauties deal with, before they appeared on the set.

But neither actually appears in the film!

Shelley's lovely voice will be heard by millions as the voice of Axis Sally in "Story of G.I. Joe." Pat's lovely voice will be heard singing "Linda," the film's love song.

But neither of these famous beauties' beauty is actually seen in picture.

Jennifer Jones and Joseph Cotten Star at the Capitol

A new romantic team has come to life on the screen. Although Jennifer Jones and Joseph Cotten previously appeared together in "Since You Went Away," the latest Hal Wallis' production, "Love Letters," stars them in a tender love story which marks Jennifer's first adult role. Opening tomorrow at the Capitol Theatre, "Love Letters" also includes Ann Richard, Cecil Kellaway, Gladys Cooper and Robert Sully in the cast.

A psychological romantic drama, "Love Letters" is the story of two people brought together by a collection of letters actually written by one man over another's signature. The letters leave murder and romance in their wake and inspire one of the strangest love stories ever filmed. Much of the action of the picture takes place in "Meadow Farm," a deserted house. The scene evokes a mood of mystery and horror—secret horror shut away behind closed doors. It is Joseph Cotten who opens these doors to the light, revealing the history of a girl whose past is a void.

Calling all spinsters, get your man Friday night, February First. ***

LONDON (CP).—The Ministry of Health has announced that its wartime milk and vitamin schemes are to become a permanent peacetime feature. Thus vitamins so essential to expectant and nursing mothers and children under five will be guaranteed.

Paramount's Newest Romantic Team

Ann Richards and Joseph Cotten discuss some serious business in Paramount's "Love Letters," Hal Wallis production opening tomorrow at the Capitol Theatre. Cotten co-stars with Jennifer Jones. Cecil Kellaway, Gladys Copper, Anita Louise and Robert Sully head the supporting cast.

Absorbing Drama of Love And Tragedy at Dominion

With the exciting impact of "Laura" still fresh in the memories of moviegoers, 20th Century-Fox scores still a greater triumph in unusual and solid motion picture entertainment with "Fallen Angel," which opened Friday at the Dominion Theatre. Starring Alice Faye, Dana Andrews and Linda Darnell, "Fallen Angel" stands as the most gripping drama of desire that has yet come to the screen.

Never has a theme quite like this been so excitingly explored in film; never has any story been told with such thrills and suspense from start to finish.

"A Royal Scandal" at Cadet Theatre Monday

Academy Award winner Charles Coburn insists he's not in competition with Betty Grable, but his friends insist that the evidence he displays in Ernst Lubitsch's "A Royal Scandal" speaks for itself. In the role of Chancellor at the Court of Catherine the Great, Coburn wears satin breeches, and below the knees his legs are encased in stockings. And on him—his devotees claim—it looks good. The bewitching 20th Century-Fox comedy is scheduled to open tomorrow at the Cadet Theatre.

Amusements

ON THE SCREEN

Atlas—"The Clock," starring Robert Walker and Judy Garland.

Cadet—Tallulah Bankhead in "A Royal Scandal."

Dominion — "Fallen Angel," starring Alice Faye and Dana Andrews.

Oak Bay and Plaza—Ernie Pyle's "Story of G.I. Joe."

Rio—"China's Little Devils," starring Harry Carey and Paul Kelly.

York—"The Enchanted Forest," starring Edmund Lowe and Brenda Joyce.

"The Enchanted Forest" Comes to York Tomorrow

"The Enchanted Forest," which comes to the York Theatre tomorrow with a midnight showing tonight, is a human, romantic drama, set in the colorful beauty of the Redwood Forest, with a cast that includes Edmund Lowe, Brenda Joyce, Harry Davenport, Billy Severn, John Litel, Clancy Cooper, Jim, Hollywood's famous raven, and 14 other acting animals. It was produced by Jack Schwarz, with Lou Brock as associate. Lew Landers directed from a screen-play by Robert Lee Johnson, John Lebar and Lou Brock.

Dramatic Romance On 48-Hour Pass

When a lonely serviceman, on his first visit to New York City and possessing a precious 48-hour pass, meets a lovely young girl who takes him to her heart, the result is one of the most entrancing motion pictures of this or any other year.

We're speaking of "The Clock," the Metro-Goldwyn-Mayer romantic hit opening tomorrow at the Atlas Theatre, with Robert (Private Hargrove) Walker as the serviceman and Judy Garland as the girl.

Here is a tender, heart-warming picture, superbly acted and directed, which will score a hit with everyone who sees it. Truly every second in it is a heart-beat as Judy and Bob meet in New York's vast Penn Station and begin a 48-hour romance like none you've ever seen.

Fortune Gallo Brings Grand Opera to Public

It was Fortune Gallo who established grand opera as popular entertainment for the American mass public. He is the man who knows no restrictions of time or place. The season is his thirty-third in guiding the destiny of his San Carlo Opera Company, coming to the Royal on February 22 and 23.

The accomplishment of Mr. Gallo is evidence that by means of opera serious music has been not only popularized but vitalized and rendered much more flexible and articulate in expression than it otherwise could have become. Motion pictures have introduced gems from opera in recent productions that have won public favor and the picture audiences immediately succumbed to the beauties of opera. Incidentally, Mr. Gallo made the first complete grand opera in sound pictures five years ago. His production of Leoncavallo's "Pagliacci" was the first contribution to the sound screen.

Operas to be presented by the San Carlo Opera Company in Victoria are "Aida," "Carmen" and "Il Trovatore."

MANCHESTER, England (CP).—Field-Marshal Alexander, recently made a freeman of Manchester, has invited the Lord Mayor of Manchester, Councillor High Lee, to visit Canada during his terms as Governor-General.

IT'S HAPPENED
ALTHOUGH WE HAVE KNOWN FOR quite some time that our business had outgrown the possibilities of our present small store, we were hardly expecting to act, at the present time, a suitable, lower-rent, downtown location. However, one has been offered to us and we can certainly use the much larger floor space which it provides. We will miss the pleasant atmosphere up here on Burnside but we are not going to lose any old friends—we'll just make a lot of new ones. We'll let you have full particulars in a few days and in the meantime you may depend on the fact that you do buy for less at

THIS PROPERTY IS STILL FOR SALE—The natural question is: Why? We have had a number of prospects. None have quarrelled with the value. If we had cut out our commission either of two would have bought it. Others had not the qualifications to make a success. It is a property for only those who have the capacity to meet and cater to the public, to extend the existing accommodations, and not as a necessity but for additional revenue, install a boat float and cater to the boating and fishing community. This is a ground floor chance. While we want to sell the property, we want to sell it to those who have the qualifications of making a success.

Normal School News

In a talk entitled "A Return to Learning," Miss Sadie Hele told members of the Provincial Normal School Literary Society about her brother's experiences on re-entering school from the forces. Miss Elva Painter spoke of comic strips and their effect upon readers. Miss Jean Reid gave a humorous monologue, and David Moore spoke of the Kootenay area.

A "Truth or Consequence" program, arranged by Miss Alma Lazzarotto, followed. Miss Jean Runnalls "rang the bell." Victims of this program were Ron Lyon, Gordon Adlard, Miss Jessie Henderson, Miss Sheila Steuart, John Ivanisko and R. Colvin.

At the second literary society meeting Mrs. Jane Rankin reported on the British Columbia Teachers' Federation meeting. Jack Hayes played two clarinet solos, accompanied by Miss Shirley Piper at the piano. Miss Margaret Henn gave a comic sketch. A "tall tales" contest was held, with representatives from each class.

A "splash party" at Crystal Garden yesterday, arranged by the athletic committee, proved successful. The program included lighted candle race, thread and needle race, water fights and stunts.

Kelowna Welcomes Dragoon Regiment

KELOWNA, Jan. 19 (CP).—Thousands lined the streets here this afternoon to welcome the British Columbia Dragoons, 9th Armored Regiment, as it returned home after four years campaigning in Italy, Holland and Germany.

From the railway station to the Scout Hall, through the specially decorated streets, the crowd stood and waited for more than an hour in a chill wind.

The ceremony was a joint affair sponsored by the three major Okanagan cities, Kelowna, Vernon and Penticton. Mayor Howrie, of Vernon, acted as master of ceremonies; Reeve R. J. McDougall, of Penticton, gave the welcoming home address, and Mayor Pettigrew, of Kelowna, presented L.-Col. H. M. Angle, D.S.O., officer commanding, with the freedom of the city.

Two free public dances have been arranged for this evening. The men of the regiment will be guests in the homes of citizens. The town closed at noon for a holiday.

W. S. Kirkpatrick has been re-elected by acclamation as president of the Oak Bay Liberal Association, it was announced yesterday. The annual meeting of the association will be held tomorrow at 8 p.m. at Liberal Headquarters, 536 Broughton Street.

Also elected by acclamation were E. S. Farr, vice-president; H. H. Jack Ruttan, recently discharged from the navy, will address the annual meeting on his experiences on the North Atlantic.

Tram. Car Collide

A head-on collision between a street car and an automobile which Oak Bay police report happened on Oak Bay Avenue near Mitchell Street yesterday at 7:30 p.m., caused only slight damage to the vehicles and no injuries to the operator, was Sidney W. Berrow, 2548 Quadra Street.

Mt. View Students Take Examinations

View have been weighed down by burdens. This time they are in the form of the January completion exams, which started on the 17th and are continuing until the 24th.

Two hundred and fifty students and friends attended the "back-to-school" dance. Prizes for novelty dances were won by Pearl Miller and Earl Jones.

The radio committee of the combined schools is planning to present a "spelling bee" sometime in the near future. Full plans have not yet been made. Participants at the station from Mount View this week are Larry Frank, operator; Kay Macham, script writer, and Patrick Thomas, announcer.

On January 25 a student-parent social will be held at Mount View. There will be dancing, games and refreshments.

Room Takes Fire; Man in Hospital

Navy Veterans Start Island Plastic Firm

The first plastics processing plant on Vancouver Island has been put into operation by three naval veterans.

The trio of ex-sailors, Arthur and James Sutherland, and Mel Olsen, are now turning out plastic advertising display articles, and are designing coffee tables, end tables and accessories for the boudoir.

The two Sutherland brothers drew up the specifications for the plant's processing machine, which, custom built, is the only one of its type in the Dominion. It can produce tubular and sheet plastics in color.

James Sutherland, while based at Newfoundland, where he worked as an engine-room artificer at repair bases, studied the complicated methods of turning plastic materials into commodities for household and commercial use during his spare time.

Mel Olsen, a brother-in-law of the Sutherlands, visited American manufacturers while his ship, H.M.C.S. Port Hope, on which he was a gyro expert, was in New York. His visits taught him a good deal about design and manufacturing of plastics.

Arthur Sutherland, formerly a radar technician on H.M.C.S. Uganda from the time the ship was commissioned, heard of his brother's studies and arranged to study plastics courses aboard ship. He spent five years in the navy.

BDR. F. C. "BUSTER" BRIERS

Member of the 6th Anti-Tank Regiment and veteran of campaigns in France, Holland, Germany since the invasion, has arrived in New York on the liner Queen Elizabeth and is en route home.

Son of Mr. and Mrs. F. W. Briers, 307 Beechwood Avenue, Bdr. Briers enlisted in 1941 at Victoria. He was married while overseas, the ceremony taking place at Hyde, Cheshire, England, on December 8.

Assumes New Post

LIEUT.-CMDR. B. G. SIVERTZ

Who recently returned to Victoria to assume his new post as navigation instructor at Royal Roads Naval College. In the Royal Canadian Navy since December, 1939, Lieut.-Cmdr. Sivertz trained at H.M.C.S. Stone Frigate, at Royal Military College, Kingston. He was at Esquimalt in 1940 taking an advanced course in gunnery, and later assumed the post of commanding officer of H.M.C.S. Kings, Halifax, a naval training station, which closed last May. Later he became commanding officer of the frigate H.M.C.S. Montreal, an appointment he held until receiving his present post at the naval college. His brother, Major "Gus" Sivertz, was former public relations officer for the army on the Pacific Coast.

Rule Radios, Pianos, Are Not Furniture

Radios and pianos are not classed as furniture or household equipment under the re-establishment regulations, according to an announcement from the Department of Veterans' Affairs.

The announcement also said that the regulations have been amended so that no credit will be made available for the buying of furniture if the actual possession of the furniture does not pass to the buyer when the contract is made, or if any agreement is made that the seller shall retain part or whole property rights in the furniture despite actual possession by the buyer.

Is Expected Today

TPR. LAWRENCE BROOKS

Veteran of the European campaign, who was wounded over a year ago during the fighting in Holland, has arrived in Kelowna with his regiment, the B.C. Dragoons, his wife, Kathleen, who lives at 1145 Summit Avenue, has been advised.

Tpr. Brooks stopped over in Kelowna, home base for the B.C. Dragoons, to take part in a reception held there last night for the regiment. He is expected to arrive in Vancouver this morning, where he will be met by his wife.

Enlisting with the 27th Light Anti-Aircraft Regiment, R.C.A. in 1942, he later was posted to Camp Borden, Ont., where he transferred to the 9th Canadian Armored Corps, with whom he fought throughout Europe, in Holland, Germany, France and Czecho-Slovakia.

Son of Mr. and Mrs. P. Brooks, Carey Road, Tpr. Brooks has a brother, Flt. Sgt. Clifford Brooks, in the R.C.A.F. and who is now at Lachine, Que., waiting to go overseas.

Land Act Credit

Returned servicemen, applying for loans under Section 13, Veterans' Land Act, confined to those who own their land, may now use their re-establishment credit for any of the purposes provided under the regulations. The credit uses, by veterans taking benefits of the Veterans' Land Act, are limited, however, to those who take advantage of this section of the act only.

Urgent Dental Needs Freed of Red Tape

Emergency dental work needed by veterans may be done by a dentist of their own choosing without waiting for authorization from the Veterans' Affairs Department, it has been announced by Veterans' Minister Ian Mackenzie.

Authority will be required from the district supervising dentist before non-emergency treatment is proceeded with.

There were 86,680 applications for dental treatment by veterans in one recent month and a shortage of civilian dentists aggravated delays.

Vancouver Lions Upset Varsity Thunderbirds

Check In With 18-10 Verdict in McKechnie Cup Rugby Fixture—Three-Way Tie for Lead

HOW THEY STAND

	W.	L.	D.	F.	A.	Pts.
Victoria	1	1	0	19	14	2
[illegible]	[illegible]	[illegible]	[illegible]	[illegible]	[illegible]	[illegible]
Vancouver	1	1	0	24	26	2

Yesterday's score:—Vancouver 18, Varsity 10.

Next game, February 2: Victoria at Vancouver.

VANCOUVER, Jan. 19 (CP).—Vancouver Lions tied up the McKechnie Cup competition three ways this afternoon by handing the University of British Columbia Thunderbirds an 18-10 beating at Brockton Oval here today, before a crowd of 1,500 wildly cheering fans, largest attendance at an English Rugby match in years. The result leaves Lions, U.B.C. and Victoria deadlocked with one win and one defeat each.

Lions led 10-0 at the interval, and increased this to 15-0 shortly after the second half started, but Varsity came back with their traditional fight and the Lions were scarcely ever in the picture again, yet not only managed to hold their lead but actually scored the final try of the game in the last few minutes.

It was one of the hardest tackling games ever seen here, with the Vancouver threes stopping the Varsity backfield dead in their tracks time after time. Bob Blondheim, a former forward, was the outstanding player in this department, and he and "Bud" Spiers, of Varsity, both former Lord Byng High School boys, were the two best men on the field.

VANCOUVER SCORES FROM VARSITY FUMBLE

Vancouver scored twice midway through the first half, both tries coming on breakaways and within the space of two minutes. Marshall Smith snapped up the ball when Lloyd Williams, Varsity's fullback, fumbled it, ran 30 yards and grounded the oval behind the posts for Danny Holden to kick an easy convert. Right from the kick-off Bill Kinder intercepted a Varsity pass and outsped all opposition to score again behind the posts, and again Holden booted the extra points.

With a ten-point lead at the interval, Lions went further ahead in another ten minutes with the finest try of the game. Blondheim cut around the side of the scrum, swerved past three opponents and sped down the middle of the field for 25 yards and planted the ball between the posts, for Holden to kick another easy concert.

From then on Varsity took command, especially after they got their first try, which came in another ten minutes when they pushed Lions over their own line from a set five-yard scrum, Harte Crosby getting credit for being the last man to touch the ball. Alan Croll converted. He missed with a penalty kick shortly after, but Alex Carlyle went over in the next minute to round off a lovely passing movement between John Wheeler, Bud Spiers and himself. Croll converted, the ball dropping on top of the bar and bouncing over.

Three minutes from time, all against the run of play, Vancouver broke away again and Grofe Murdoch beat two Varsity players to a loose ball behind the Thunderbirds' line and fell on it for an unconverted try.

Clippers Win Junior Hockey

NANAIMO, Jan. 19 (CP).—Taking a three goal lead in the initial period Nanaimo Clippers tonight went on to hand Vancouver White Spots a 7-2 beating in a Pacific Coast Junior Hockey League game here tonight.

Victory for the Islanders widens their margin over the second place New Westminster Cubs five points. It was Vancouver's fifth straight loss.

Denting the twine for Clippers were Koehle and Prestley with two each and Scott, Louden and Richardson. Jack Hopfe and Gordon Mirtle notched Vancouver's markers.

SUMMARY

First Period—1, Nanaimo, Koehle (Louden) 7:09; 2, Nanaimo, Scott (Larsen, Jones) 12:33; 3, Nanaimo, Louden (Mitchell) 17:38. Penalties—Richardson (major).

Second Period—4, Vancouver, Mirtle (Cook) 2:41; 5, Vancouver, Hopfe (Cook) 3:31; 6, Nanaimo, Richardson (Jones) 14:10. Penalties—Koehle.

Third Period—7, Nanaimo, Koehle 9:20; 8, Nanaimo, Prestley 10:54; 9, Nanaimo, Prestley 15:24. Penalties—Jones (five minutes), Langton (five minutes), Robertson, Mitchell.

Train Veterans for Resort Management

With 97 students, mostly war veterans, enrolled, a course in institutional management to train operators for tourist resorts and Summer hotels has been started at Hart House at the University of Toronto.

The course was instituted at the request of the Ontario Planning and Development and the Ontario Government Travel Bureau.

Bishop to Play With Collegians

PULLMAN, Wash., Jan. 19 (AP).—Gale Bishop, top scorer in the United States last season with the Fort Lewis Warriors basketball team, will enroll at Washington State College January 28 in the expectation of receiving an army discharge in time to compete on the Cougar basketball team in its remaining games, Coach Jack Friel said tonight.

The 'automatic scorer,' who last played at Washington State three years ago, will start a 30-day furlough Monday, Friel said, and "indications are that recent War Department directives covering his discharge will permit his release from the army by February 20."

The Cougars, now trailing in the Northern Division Pacific Coast Conference race with four defeats, had hoped for the discharge of Bishop earlier in the season.

Bishop, widely regarded as one of the all-time greats of basketball, last year scored from 20 to 30 points or more a game regularly.

He scored 440 points last year for Fort Lewis and set a new individual one-game scoring record of 62 points for the National A.A.U. tournament at Denver.

"Rep" Ruggers to Train This Week

Elated over the outcome of yesterday's McKechnie Cup match at Vancouver, Manager R. H. "Bob" McInnes, manager of Victoria's Crimson Tide, announced last night that training sessions for the local McKechnie Cup candidates will be held at Macdonald Park next Tuesday and Thursday at 7:30 p.m.

"Vancouver's victory over Varsity has given us a swell break, and we simply must be in tip-top condition for our remaining McKechnie stated.

Victoria's next inter-city match Cup fixtures," the genial manager is slated for Vancouver on Saturday, February 2, with their final game here two weeks later against Varsity Thunderbirds.

COMES TO TERMS

SAN FRANCISCO, Jan. 19 (AP).—The San Francisco Pacific Coast League baseball club announced today it had come to terms with Right Hand Pitcher Frank Russo, obtained from the New York Giants, and with Norm Schlueter, catcher, purchased from the Sacramento P.C.L. club.

New Dominion Soccer Body Being Formed

TORONTO, Jan. 18 (CP).—A new Dominion of Canada Football Association, built on ashes of the one that died at the outbreak of war, is in formation. It was learned today. It will be organized in time to allow staging of a Canadian soccer championship this year and to permit a tour of a British Football Association representative team through the Dominion in the Summer of 1947.

Representation on the governing council will differ from that of the former organization. Whereas each province had one voice and the Dominion body was run in the main by provinces, the new association will be run by pockets, areas which have the greatest number of clubs.

Any district association with 13 or more clubs in membership is entitled to affiliation with the D.F.A. and a seat on the council.

Only two cities which could qualify as district associations at present are Toronto and Vancouver, Canada's hotbeds of soccer. The Toronto and District F.A. has six clubs in its major league, 20 in its senior league. Vancouver has four clubs in its senior circuit, equivalent of the Ontario major league, and 16 in its district circuit.

At present, the Toronto and District F.A. is the most flourishing soccer body in Canada. Its clubs can command $1,000 gates, it has a sound financial set-up and a working agreement with United States clubs.

NEW ORLEANS, Jan. 19 (AP).—Lew Raymond, New Orleans matchmaker, announced today that Sal Bartolo, the National Boxing Association 126-pound champion, had agreed to stake his title against the winner of next Friday's bout, scheduled for ten rounds here, between Phil Terranova, of New York, former N.B.A. feather champ, and Steve Curley, the Toronto, Canada, Irishman.

SEATTLE, Jan. 19 (AP).—They're amateurs, but the Alpine Dairy basketballers play for "gold."

Winning performances are rewarded with a pound of butter from their dairy boss, Hans Forster, a gesture which wins the approval of the players' wives, who now yell doubly loud for victory.

Results have been gratifying, too, The Alps are leading their league by a wide margin.
